

Sujika Gardens is situated on a gently sloping hillside only five minutes from the Laguna area in an excellent location on Phuket Island. Built to exacting international standards, Sujika Gardens offers you and your family a quality home at an affordable price.

The homes and villas are on private landscaped plots of land, and designed for enjoyable tropical living. Each property will have a private swimming pool, outdoor patio areas, air-conditioning throughout, three or four bedrooms, European standard bathrooms, spacious modern kitchens, fully fitted with custom built cabinets, top brand name appliances and fittings, good storage areas and private and secure car parking. Home designs range from 320 to 470 square metres interior living area built on land plots from 700 to 1,080 square metres.

The project also offers eight smaller terrace-style homes sharing a large common pool built to the same standard as the villas.

Sujika Gardens quality and location has already attracted a cosmopolitan clientele and among the nationalities who have purchased homes are English, Scottish, American, Canadian, Portuguese, Italian and Danish.
